Subject:- Conveyance allowance to Health officers.

O P I N I O N.

As the Health officers to be newly appointed for the Bangalore and Mysore Cities and the Kolar Gold Fields will have to be constantly moving about their jurisdiction it is desirable to grant each of them a fixed conveyance allowance of Rs.50 per mensem. There is reason to think besides that, without an allowance as above, it will be difficult to obtain qualified men to take up the new appointments even on the pay of Rs. $250-\frac{50}{2}$ - 400 offered.
